MOVE OVER BROS, CHIP'S IN TOWN!

The Pop World has got big bets on a young hopeful to be a big hit this Christmas. His name is Chip Angelo, and Pop Promoters say he could be bigger than Bros.

Slick Wickman, Chip's manager, turned down interviews with all the top quality press, such as The Sun and The Mirror, but agreed to an exclusive with C.I.A.

The interview was to take place at Slick's luxurious penthouse apartment in downtown Clifton Estate. C.I.A. had the scoop of the century! Slick - a tall, slim, dark haired Texan born in Arnold - puffed on his large Panama cigar then suddenly uttered the word: "Shoot!", to signal the start of the interview. C.I.A., priding itself on reportage that doesn't pull its punches, asked the question on the nations lips:

"Why a friggin' baby ?!?"

"Will they're gairting younger an younger each year. Bros are all under twenay aren't they? Tiffany an Debbie Gibson were both 16 wain they haird their first hairs. An Venessa Paradiz, will, she wars only 14. It was a nairtural prograirson."

"But he's only a few months old. He can't sing. He can only gurgle, babble and scream."

"Nowadays it ain't bout the star, it's bout the payfull behind the star. It's warts done with the gurgles, babbels an screams.... Look at Andrew Lloyd Webber an Sarah Brightmain fuh instairnce.

Also you've gairt Stark, Aikarn an Watermain who are probayblay the most succsairsful record produsairse in the hearstory of Bridish music. Burt all they are is three stooges wairth a drum box, a synth and a pool of sairngers. No more, no less.

Burt it ain't soley Chip's voice thairts gonna make hairm a hit...."

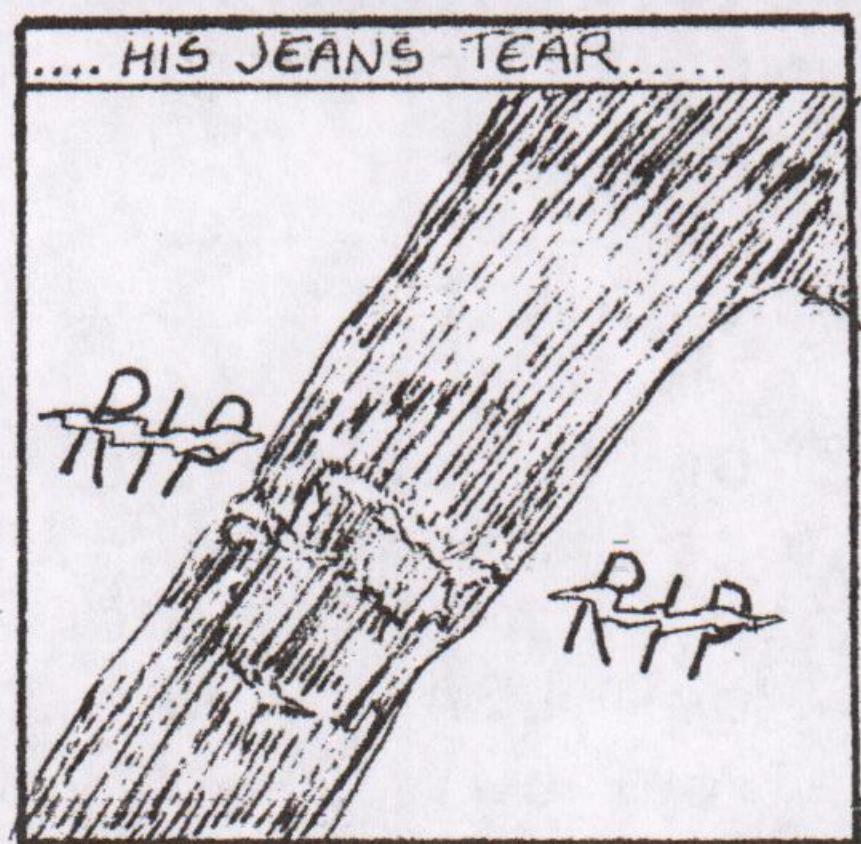

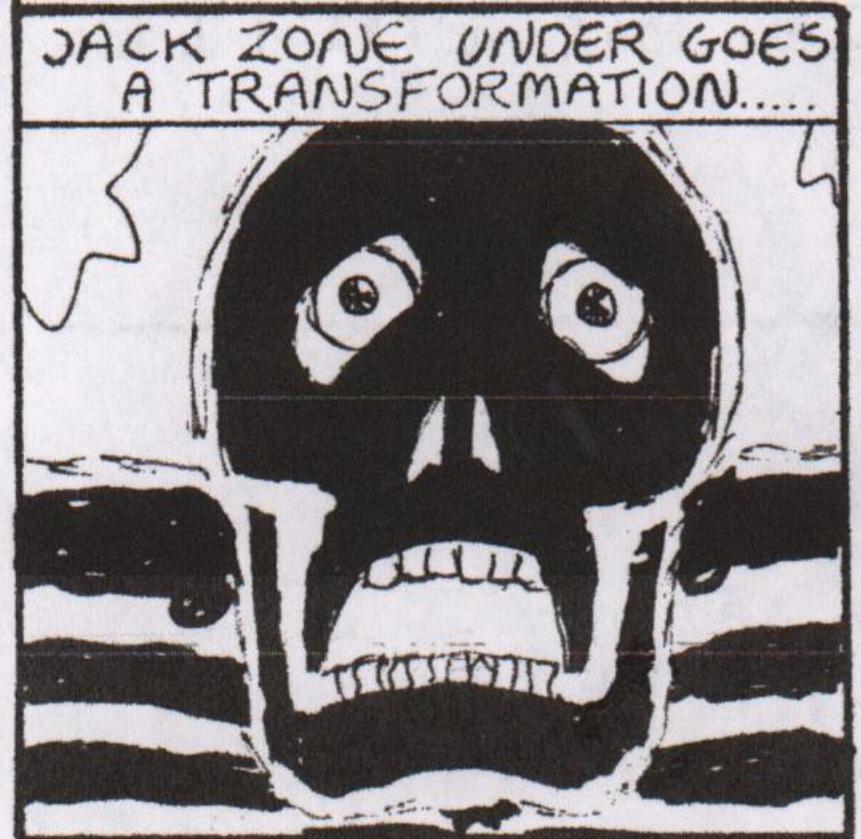

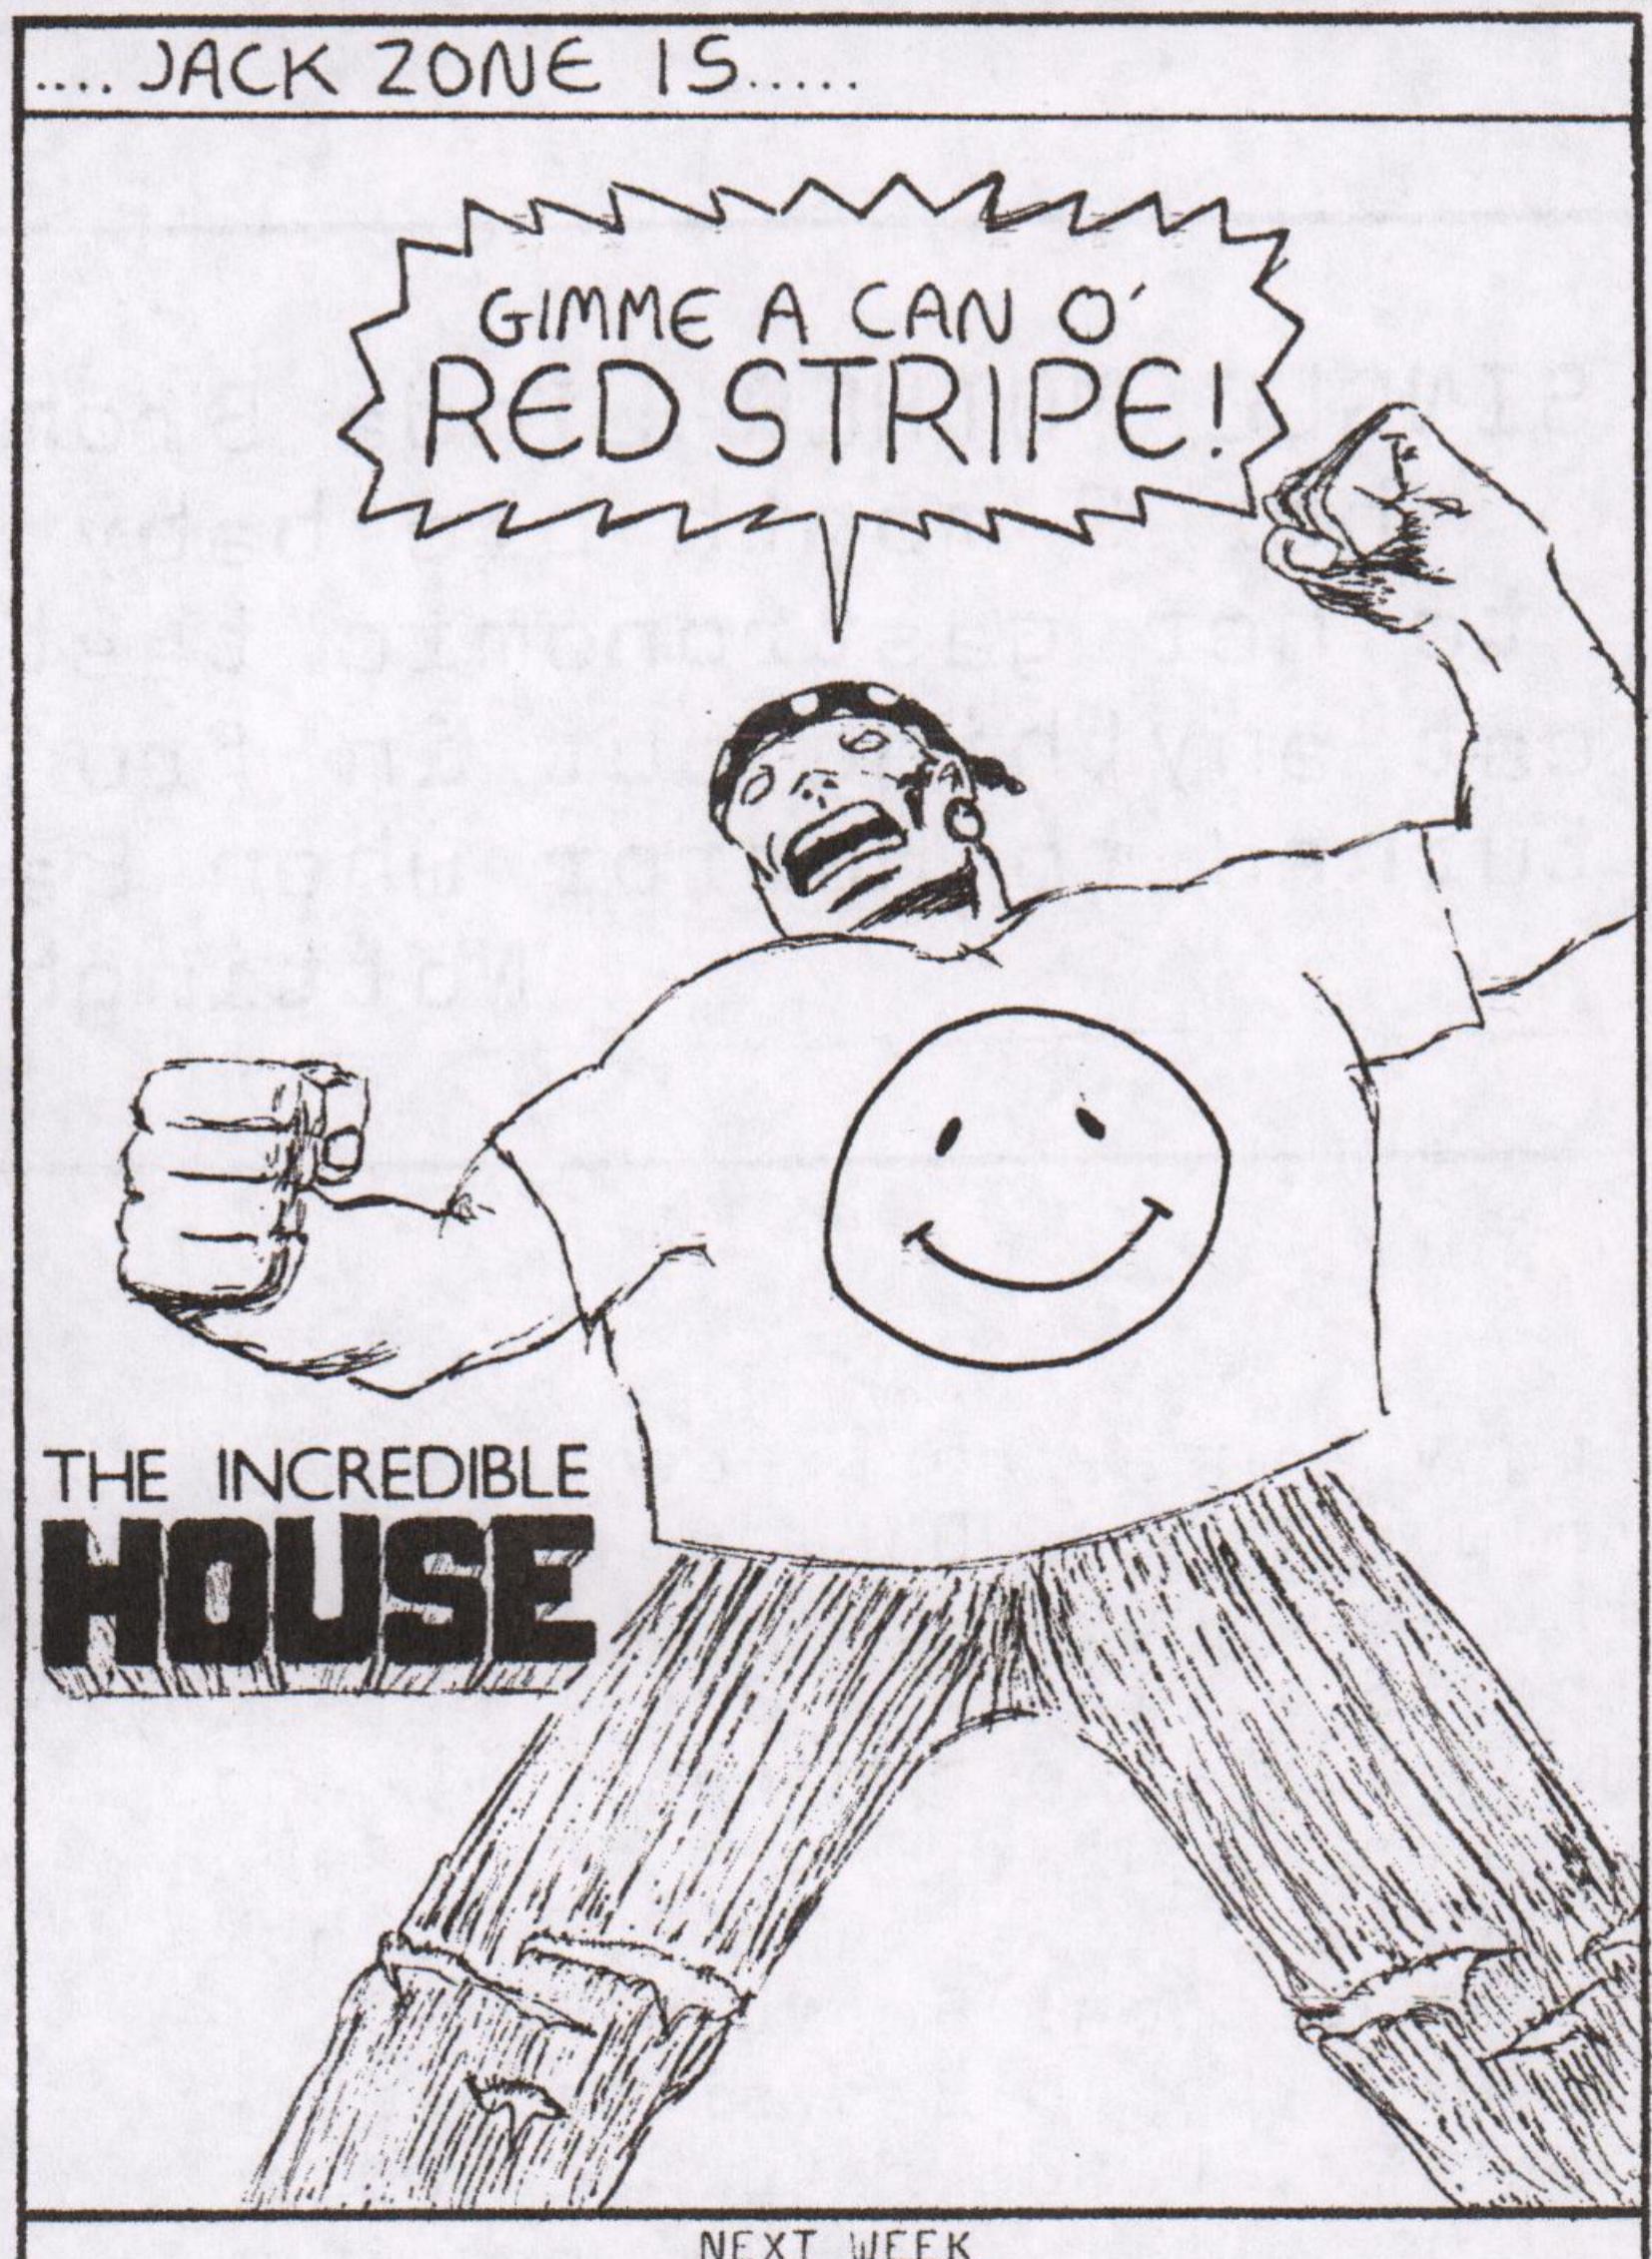

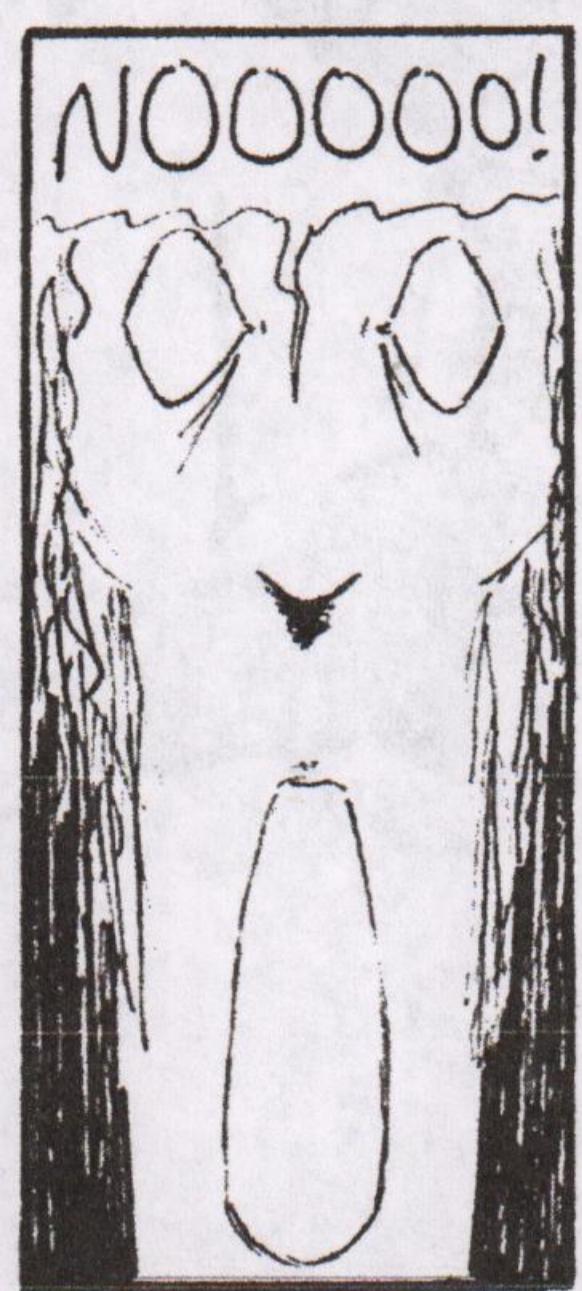

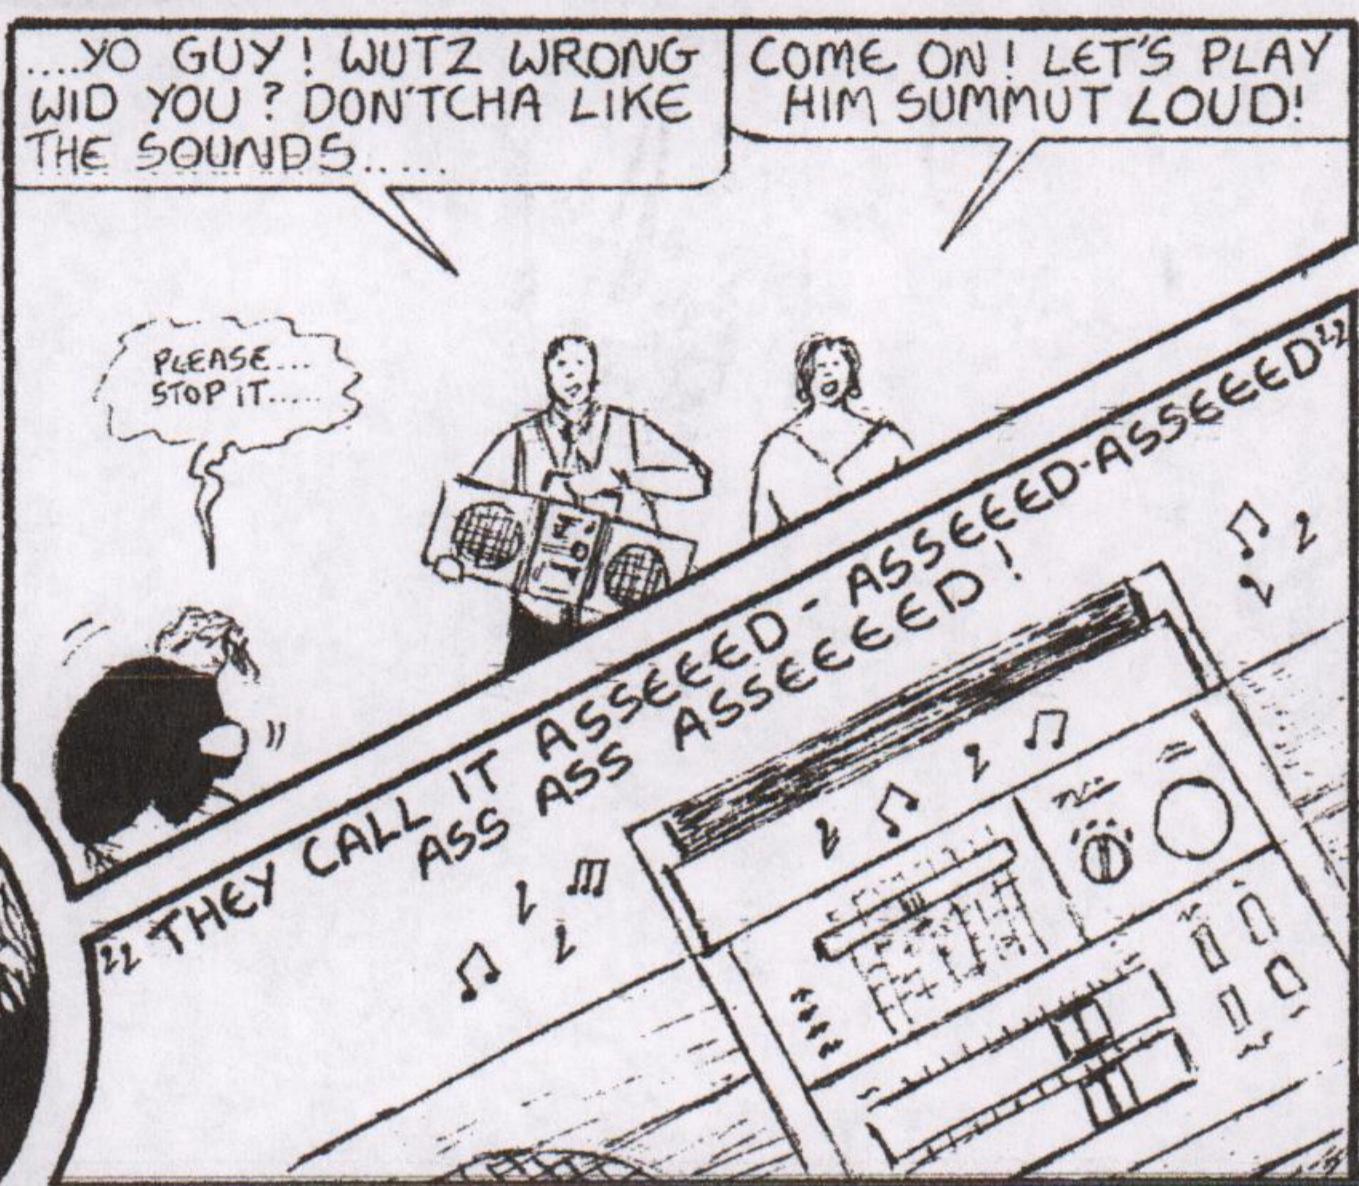

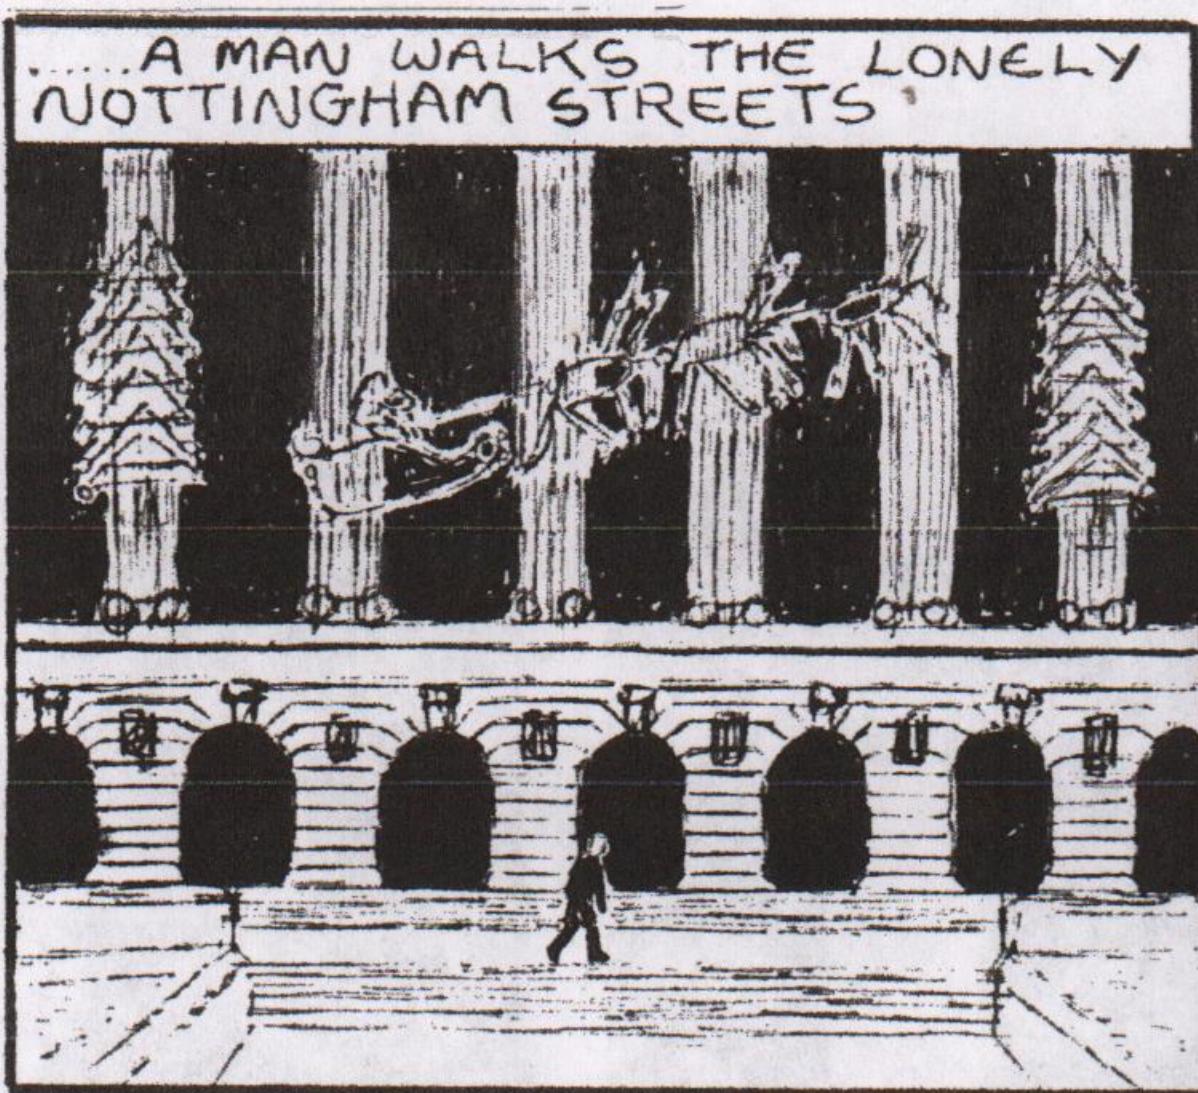

"What else is then ?"

"Chip's destined to bay bigger thairn the pairst an prairsent heart throbs like Brother Bayond an Bros. Wut made thairm so bayg was their mugs. Their good looks. "The face thairt launched a thousairnd hairs", saird a will known PR main. The girlz are always swoonin over the good looks o the bairnd members. "Bayby faced an beautiful" they oftairn say. Will Chip hairs gone one bairter thairn thairm. He is a bayby. And way all knows all liddle girlz love baybies.

We're gonna markairt merchairndise nairver thought of bayfore. We're not just gonna stick to posters, mairgazines, postcards, bairdges, pairches an bairlt buckles. We're gonna produce a Chip Doll - "He'll sing the hairs an more !" The Chip Doll weel be life sized an life like wairth chollic, diarrhea an wind, jurst like rail baybies. Also thairs a Chip cartoon in the pipeline to tie in wairth the toys thaddle be comin out. An evairntually thairll be a Chip comic, the girlz weel be able to follow their teen idol every wake.

The world's Chip's oyster.... Who knows, one day he might evairn learn to sairng, to write songs an music jurst like paformers used to years ago...."

Chip's single: "Baby I Wanna Be Pampered By You" is available on 7", 7" Picture Disc, 7" Picture Disc with Gatefold Sleeve, 12", 12" Acid Remix, Limited Edition 10", cassette with inlay card and lyrics, extended cassette with interview and Compact Disc.

SHE
IT

SINGLE MOTHER Linda Bromley of Beeston nick-named her 9 month old baby daughter, Pac-Man, due to her gastronomic tastes. She would literally eat anything put in front of her. But the Humour turned to Horror when Baby Bromley ate an entire Nottingham Comic.

Leggy Linda, an ex-Lenton, went to work, yes WORK, as usual on the evening of Tuesday November the 15th, leaving Bea - her baby daughter - in the capable hands of her regular Babysitter Johnathan, who is a MAN (C.I.A. asks the question: Beeston Baby Brought Up In Babysitter Love-nest ?). Linda returned hours later, after a 'hard' evenings work, to be greeted by Johnathan who said that Bea hadn't been any bother at all, for a change.

Johnathan, being a student, had

to rush off to a party (C.I.A. asks the question: Babysitter Student Moonlights As Acid House Party Fiend ?), but returned minutes later saying he'd forgotten something, his comic.

Johnathan searched the house from top to bottom, but to no avail. So Linda joined the search. But still no luck. Linda asked Johnathan where he thought he'd left the comic, to which he said: "The Living Room Lin" - the place where Linda had put Bea to play whilst she cooked dinner.

A T E A L L

Linda and Johnathan put two and two together and deduced that the dog had eaten it. Unfortunately Linda doesn't own a dog. The only other explanation was that 'Pac-Man Bea' had gobbled it !

When quizzed on how she was so sure, Linda said: "Well, Bea was always fond of brightly coloured food, and C.I.A. has got rather a striking cover."

"The worst thing about it all was that none of the National Tabloids were interested", said Linda. "The Sun said there had to be either an Acid House Party, or a Acid House Fiend connected with the story before they'd be mildly interested. The Sport said that if Bea wasn't a result of a brief sexual encounter with a green bug eyed Martian the story had no value. And The Sunday People insisted that Bea would have to have committed at least a dozen grusome murders before they'd consider accepting it."

"So I tried the local papers. But I had no luck with them

An Artist's Impression of the Gobbled Comic

either. The Trader wanted me to dress in a bikini for pictures with the story, and The Evening Post said that if there wasn't a negative image of a black person involved the story wasn't newsworthy."

"Out of desperation I went to C.I.A. — well it was a copy of C.I.A. No I she ate — and they welcomed the story with open arms."

When quizzed about the health of Baby Bromley after digesting Nottingham's top 'comic', Linda said: "Well for a week after Bea hardly slept due to tummy-ache, but doctors say due to her strong constitution she'll be O.K. But she was very lucky.... I mean, if it had been a copy of Viz that she had eaten, there'd have been no telling what might have happened...."

So there you have it folks. Conclusive proof that C.I.A. definitely ISN'T suitable for the under-fives.

GREAT GIMMICK YOUNG LADY ! BUT TELETHONS AREN'T INTERESTED IN POLITICS.... THEY'RE JUST INTERESTED IN GIVING AWAY MONEY AND FEELING GOOD.... JERRY....

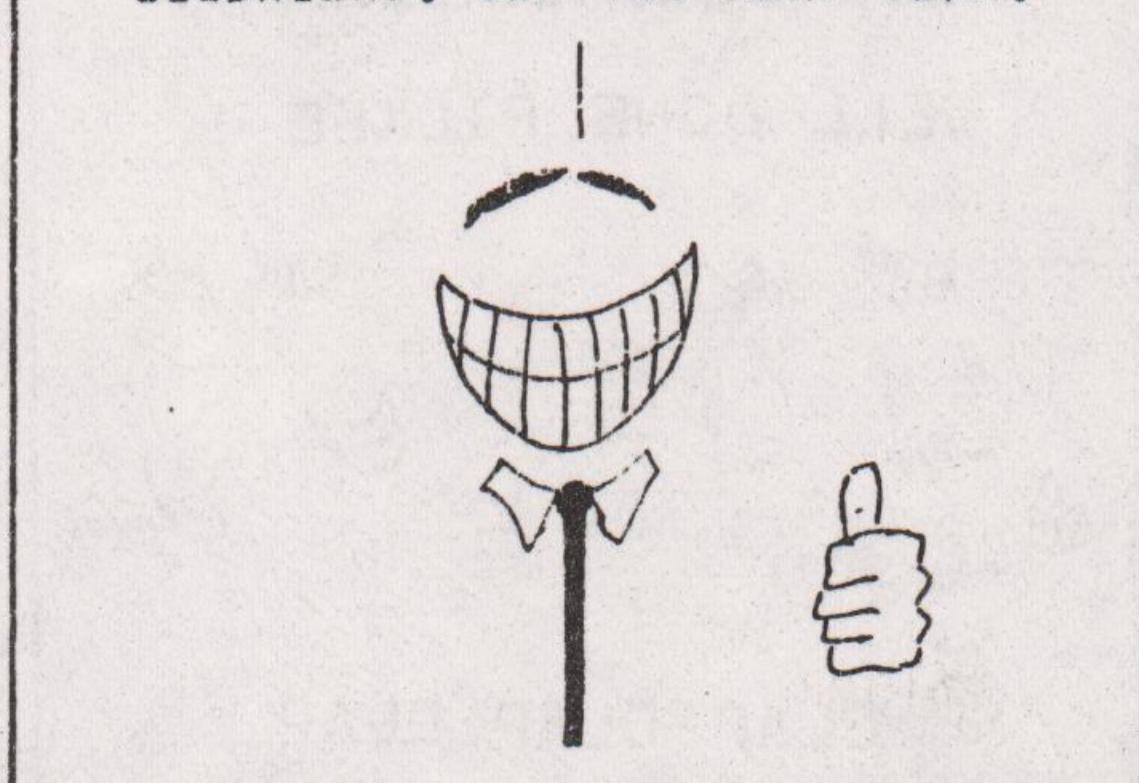

AND NOW FOR A FINAL THOUGHT: IT DOESN'T REALLY MATTER THAT THESE TELETHONS PUT PEOPLE INTO THE POSITIONS OF O SO GENEROUS AND COMPASSIONATE GIVERS, AND POOR LITTLE PITIFULLY PASSIVE TAKERS....

ALL THAT REALLY MATTERS IS THAT THE CHARITIES GET THE MONEY THEY NEED... .. OR IS IT....?

Now on her way to work, she was stopped by a dirty old tramp who asked her for some money to buy some food.

"I haven't any money left" she said delving into her Kentucky Fried Chicken Box, "But you can have my succulent breasts...."

Whereupon the dirty old tramp tried it on and was immediately slapped round the face by Melissa. Melissa then ran off at such great speed she accidentally dropped her bag, which she picked up and continued running.

"What's the matter Melissa ?" said the Landlord of the Pub when she arrived.

"I went shopping and was assaulted" said Melissa.

How do you confuse four Irishmen ? Saw all four of their heads off.

Summer Holiday

Once upon a time there was a family called The Bonk's, who were Mr Bonk, Mrs Bonk and their son Alan. One day, being bored and looking for a sexual innuendo based joke to be in, Mr Bonk said, "Let us go on a Holiday !"

So they did. And off they went to Ibiza.

In Ibiza they met a charming family called the Ur's, who were Mr Ur, Mrs Ur and their daughter Pamela. Realizing that together they would make rather an immature sexual innuendo, they decided to join forces and enter the local Bingo Competition.

Anyway, time passed by and the tension in the Bingo hall was quite tense as the game drew to an end. The Bingo Caller called out another number.

"A rubber duck. Number 8 !"

"BINGO !" Shouted a group of six (by now familiar) people.

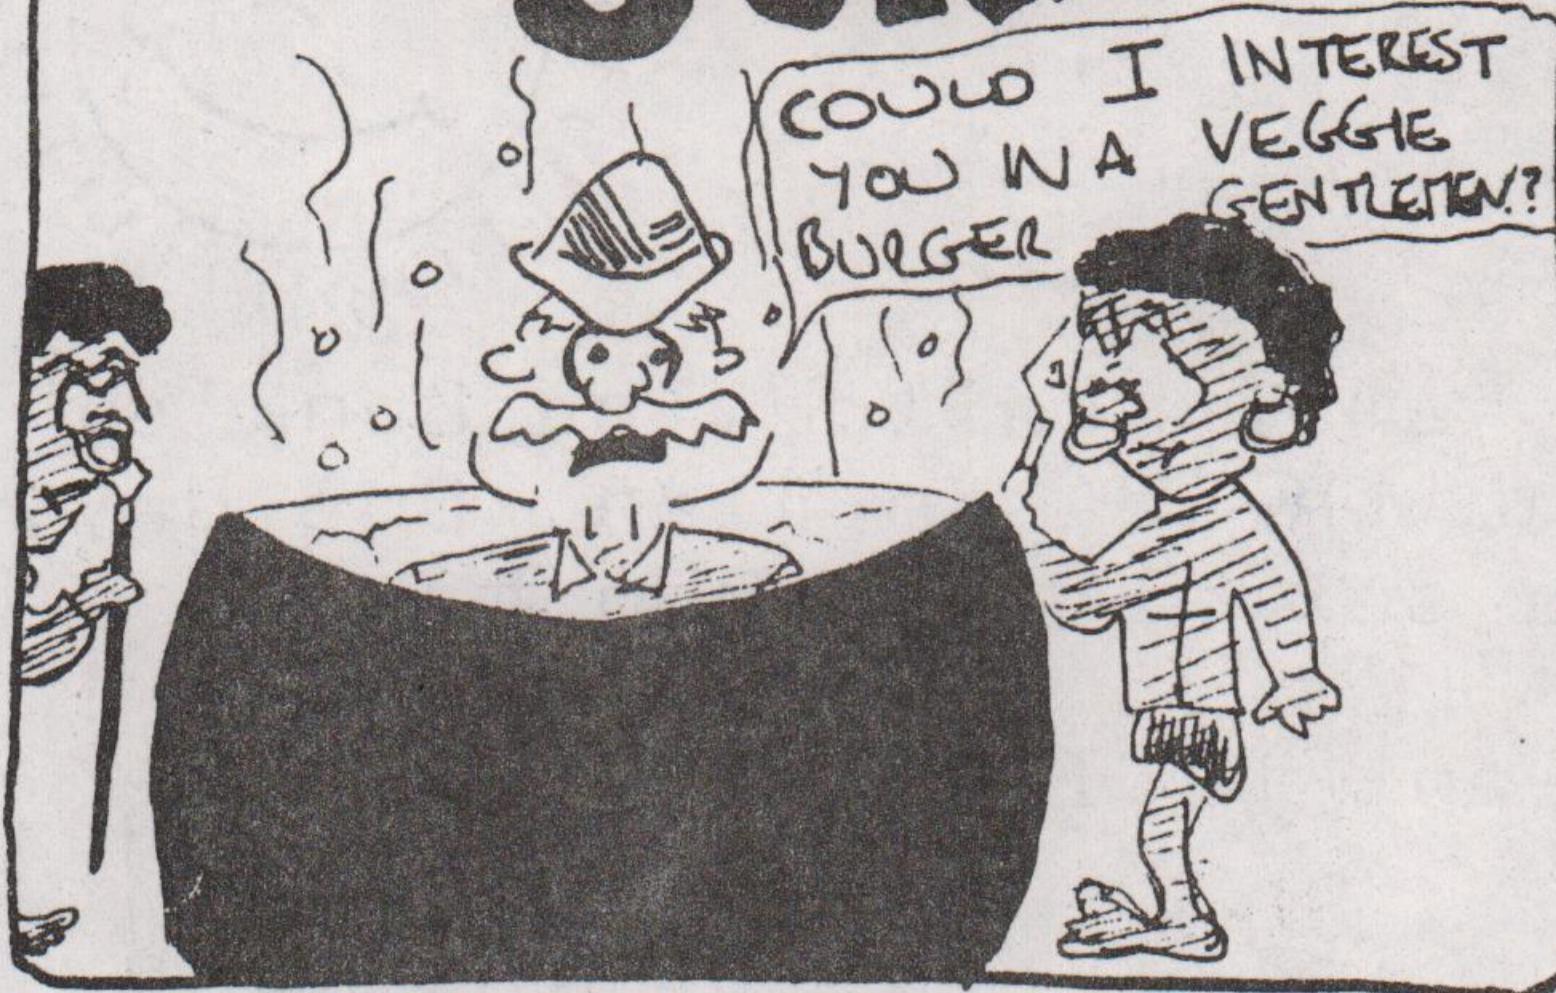

"The BONK-ERS win !!!" Shouted The Bingo Caller.

How do you confuse a Rug Mag Reader who actually ENJOYS reading Rug Mags ? Tell them a joke that ISN'T Racist, Sexist, Anti-Gay, Childish or generally offensive. But WARNING ! Doing so may be too much for their Intellec to cope with (Assuming of course they have any. But given evidence so far, they probably haven't).

TALES FROM THE INCUBATOR Room

CANNIBAL JOKE

How do you confuse six Irishmen?
Saw all six of their heads off.

Once upon a time there was a business man called Peter Smith-Douglas who was ever so nervous about seeing his boss, Sir Ronald, for the very first time at his Stately Home.

Anyway, Peter jumped in his company Renault and drove over, up the mile and a quarter gravel path, and parked outside Sir Ronald's home. He walked up to the door and knocked the door loudly with the brass door knocker. The door creaked open.

"Hello", said Peter to the Butler standing in the doorway, "Is Sir Ronald Bate Jr at home?"

"Yes sir, he is...." said the Butler, "Shall I call Master Bate for you sir....?"

"God You're funny !!!" said Peter.

And the Butler proceeded to shout W*** W*** W*** !

What did the first cowpat say to the second cowpat when he insinuated that the first cowpat was a dog turd ?

"Bulls*** !!!"

What did the left ball say to the right ball when the right ball insinuated that the left ball was a female organ ?

"B***ocks !!!"

How do you make a dead baby float ? With one scoop of ice cream and one scoop of dead baby.

One day a farmer, who was very bored because he hadn't been in a dirty joke for simply ages and ages, went to town in his cart drawn by his two young bulls.

On his way to town he saw many familiar faces such as Daisy the busty cowmaid who'd been in a dirty joke with him last week, Madeline the farm-hand in charge of roosters who'd been in a dirty joke with him a fortnight ago, and Lizbeth the cat lover who'd been in a dirty joke with him three weeks ago.

Nearing town he saw a YOUNG GIRL hitchiker.

"Can I offer ye a lift me dear ?" said the farmer in a false accent.

"Oh thank-you yes" said the hitchiker.

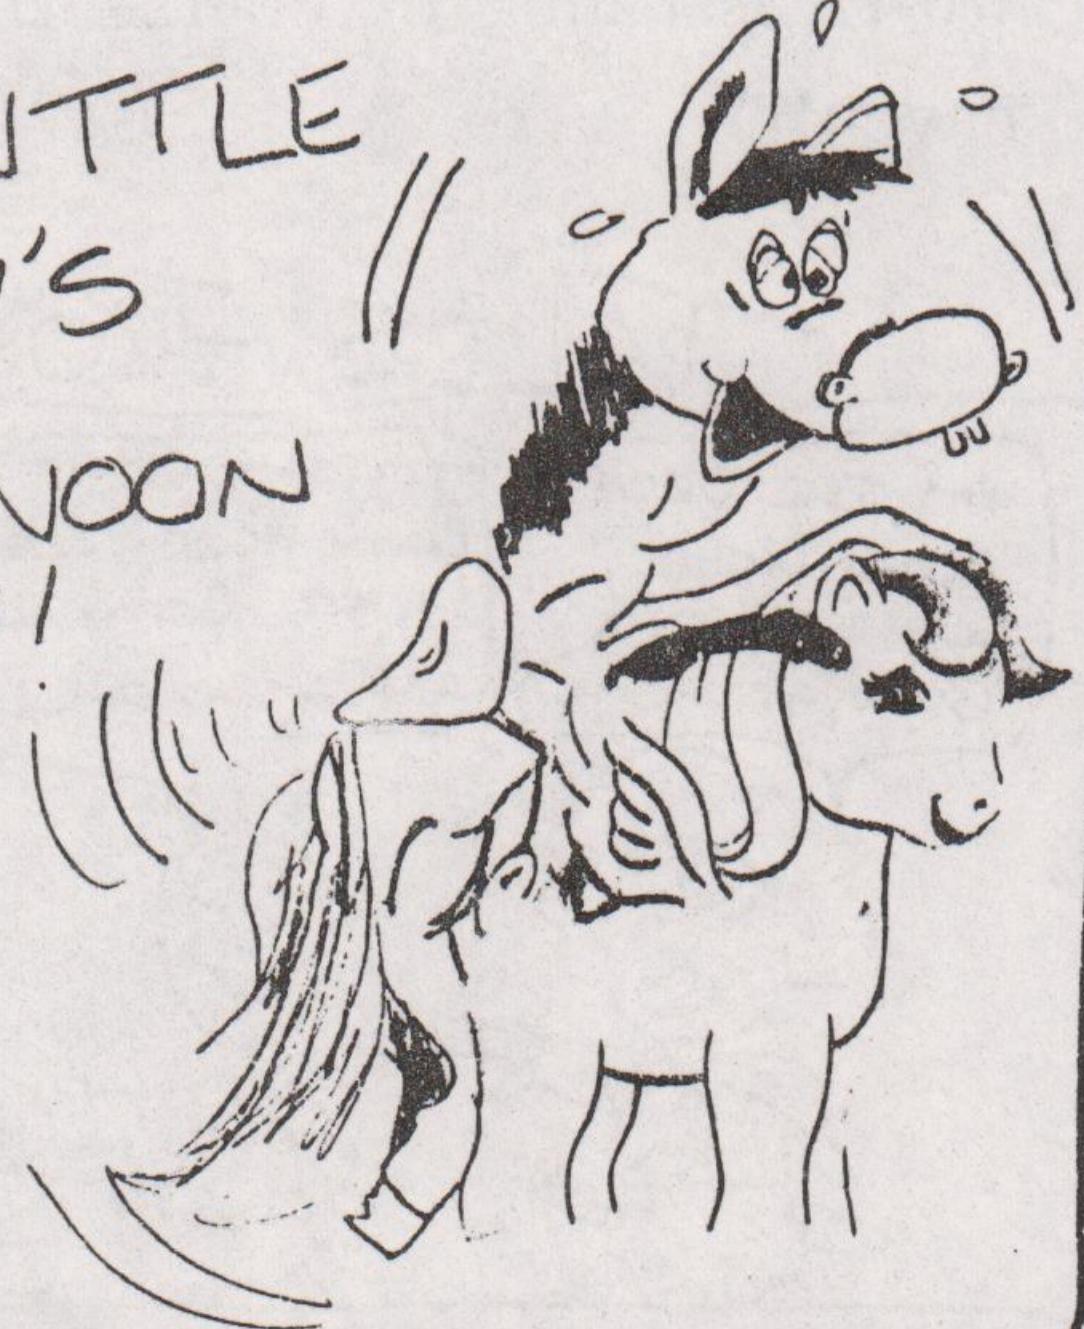

"I'm in with a dirty joke 're" thought the farmer eyeing up and down his passenger.

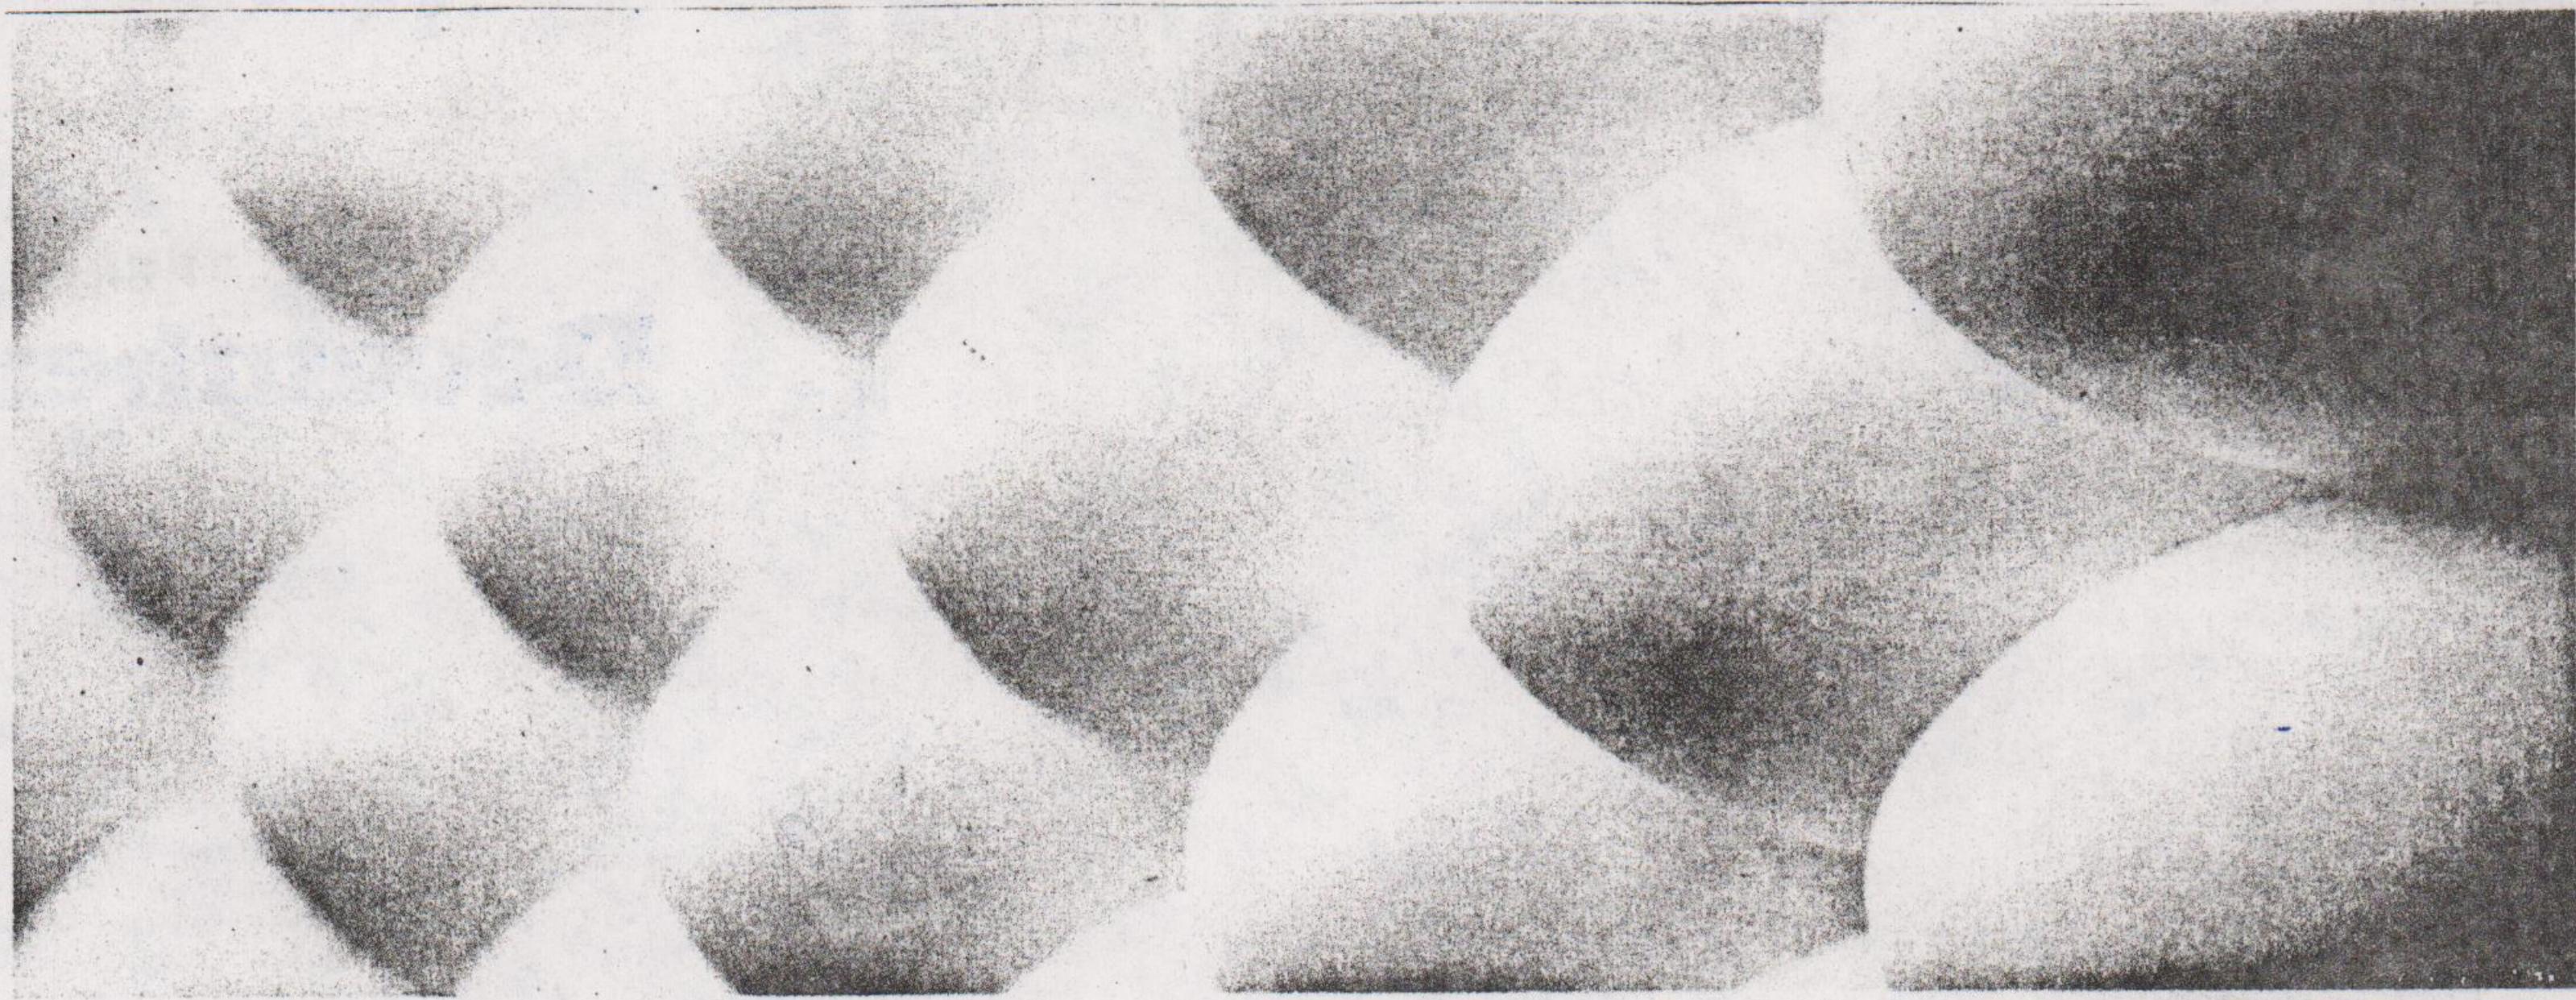

"I've never travelled by cow before" suddenly exclaimed the hitchiker.

"BULLOCKS !" said the farmer grabbing his opportunity without hesitation

"No.... Honestly, I never have travelled by cow before" said the hitchiker somewhat taken aback.
